

DONATION to NHHS 50th Reunion - - Class of '60

The Reunion Committee has planned three opportunities to give everybody more time to visit and share memories with your classmates. At the same time, we have endeavored to keep the price affordable for all, knowing the costs will exceed our revenues. We are asking all classmates that would like to make an extra donation to please do so using this form. All donations will be acknowledged in the Reunion Book, but the donation amount will not be specified.

In fact, if there are any hardship cases where the registration fees would prevent any classmate from attending, please contact Maurice Canady 910-409-2027 or mfcanady@cs.com and arrangements will be made for you to attend. All requests will be kept strictly confidential. We want every classmate to have an opportunity to attend.
